

# VIRTUAL FIELD TRIPS

## AT HARBISON STATE FOREST

These live forest hikes are an engaging way for students to learn about forestry and natural resources. All programs are **FREE**, typically last around 30 minutes and include a student worksheet to be completed during the hike (except kindergarten).

Please visit <https://www.state.sc.us/forest/eduvirtualfieldtrip.htm> for more information.

All programs  
are aligned with  
South Carolina  
2014 Science  
Standards
